

## RELAY RACE

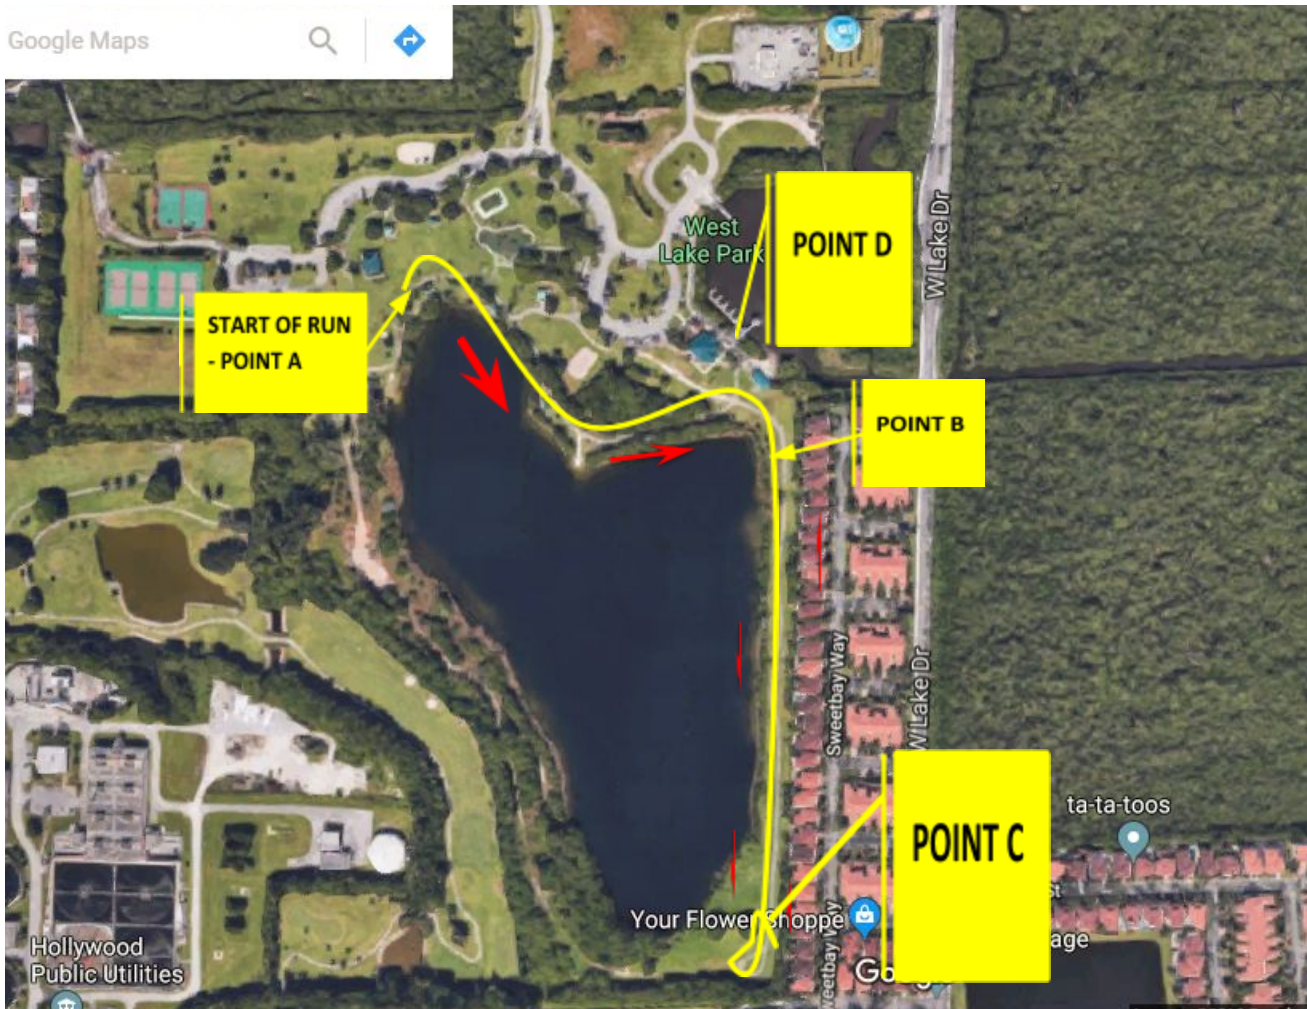

Participants:

- 2 sisters
- 2 brothers

Completion time: 1 hour 15 minutes approximately.

- The relay race consists of First Runner at the starting line (Point A) – whom will run approximately 0.2 miles towards Point B and hand the baton to the Second Runner.
- Then the Second Runner will run the loop from Point B to Point C and finish at Point D where that runner will hand the baton to the 2 participants doing the kayak.
- The 2 participants on the kayak will proceed to the kayak course.
- Once they come back from the course they will hand the baton to the first runner who will then run from Point D to Point A.
- Relay Race is done.

# FIRST LAYOUT

## KAYAK COURSE

The kayak course consists of two participants on a double kayak. They will race through the mangroves, following the guided path towards the turning points.

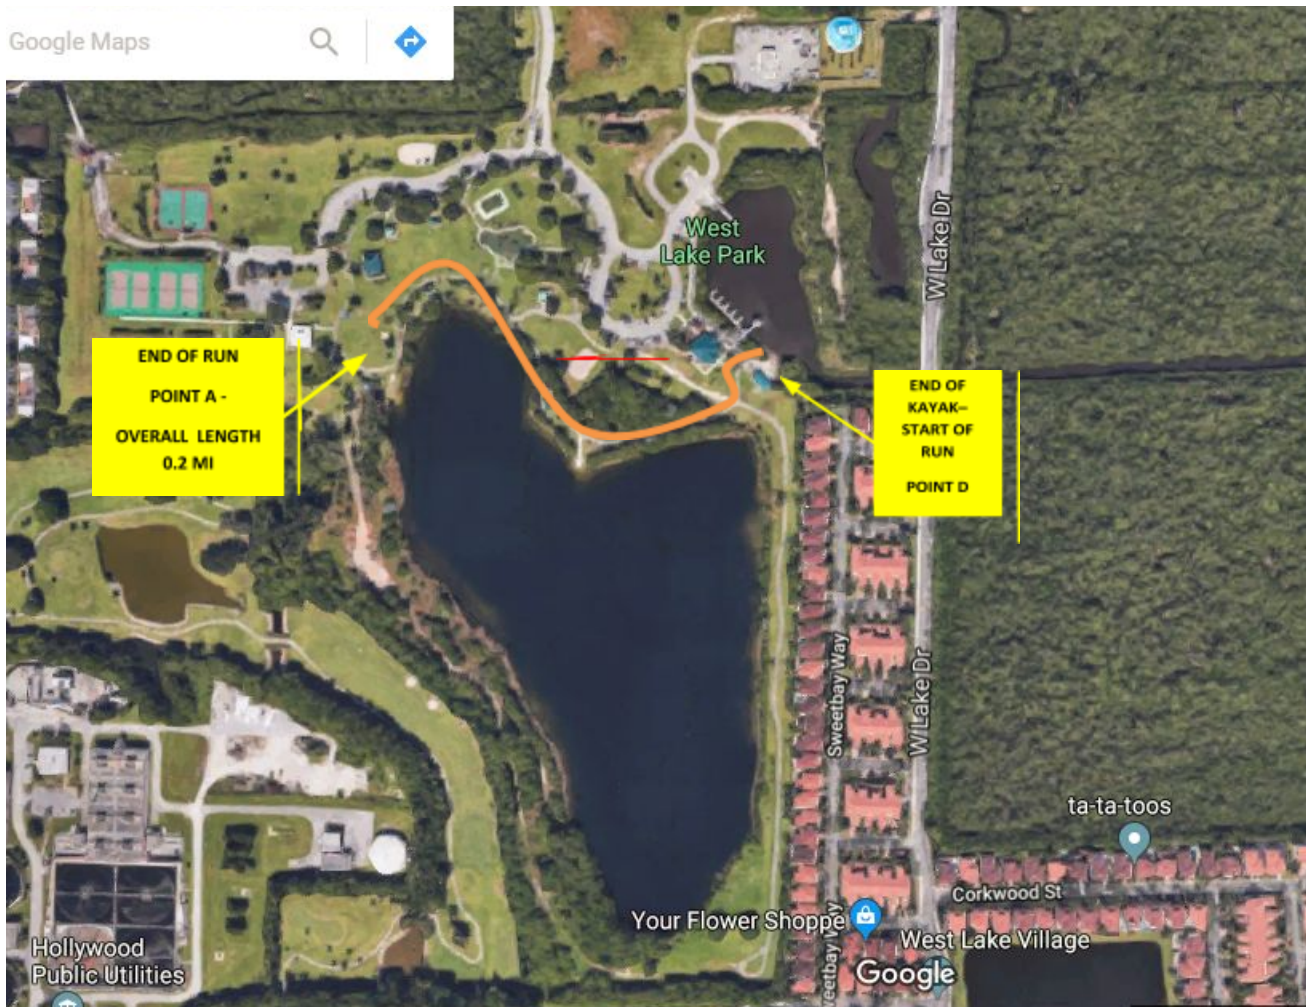

This will take approximately 30 minutes.

The two participants on the kayak will then come back to the starting point, and transfer the baton to the first runner.

## FINAL STRETCH

The last participant will then run approximately 0.2 miles towards the finish line. From Point D to Point A.

### Finisher Rankings

1. First Place - 4 points
2. Second Place - 3 points
3. Third Place - 2 points
4. Fourth Place - 1 point
5. Fifth Place - 0 points
6. Sixth Place - 0 points
